REYNOLDS  
A BETTER TOMORROW

TERRY  
ENVIRONMENTAL SERVICES  
CLIENTS FIRST ALWAYS

**One week to go but there is still time register!** Join us for a day of fishing, fun, fellowship, and food (we're going to clean, cook, and eat what you catch). This unique event allows you to spend a day out on the water with your customers, colleagues, and friends, so call them up and invite them on your boat. You will have the opportunity to indicate on the registration form (click "click here to register" button below) who you would like to fish with so we can do our very best to accommodate you with the right boat size. Thank you to our sponsors, you can find a list in the image above.

The pricing for this BOAT FULL OF FUN is just **\$300 per person**, which includes **4 hours of inland fishing, breakfast, lunch, a goodie bag with snacks, drinks, AND your captain's tip** – so no need to bring cash.

You will need to bring your own cooler if you want to take any of your fish home. At the end of the day, we'll give prizes for the Biggest

Redfish, Biggest Trout, Biggest Sheepshead, Most Fish Caught, and the always popular Skunk Award!

**One week to go but there is still time register. So don't wait and sign up today using the fishing registration blue button below!**
